

SAFECUT™ ACCESSORIES

FOR ROTARY TRIMMERS

FOR USE WITH FELLOWES® NEUTRON/ NEUTRON PLUS, PROTON, AND ELECTRON TRIMMERS.

SAFECUT™ CARTRIDGES

Fellowes® SafeCut™ stainless steel rotary blades offer design flexibility in a safe, enclosed blade cartridge. Each SafeCut™ cartridge has a retractable blade that only engages during cutting to prevent contact with blade surface.

Available as a 2 pack that contains straight blades or a 3 pack that includes wavy, perforating and scoring blades.

Straight Cut

Wave Cut

Perforate

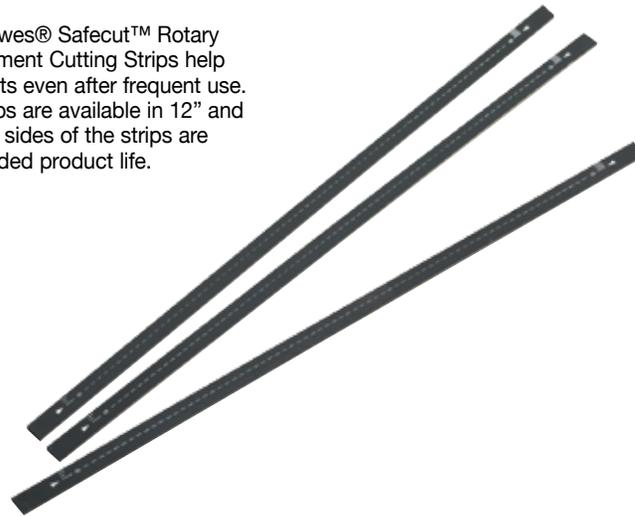

Score/Fold

CUTTING STRIPS

High quality Fellowes® Safecut™ Rotary Trimmer Replacement Cutting Strips help maintain clean cuts even after frequent use. Replacement strips are available in 12" and 18" lengths. Both sides of the strips are useable for extended product life.
